CAASS

SOLUTIONS CATALOG 24-25

Welcome to our solutions catalog, designed specifically for ShopDOE. We are proud to offer a range of innovative solutions that cater to the unique needs of New York City's educational institutions. Each solution is crafted with your goals in mind empowering schools, enhancing safety, and streamlining processes. Explore our offerings and discover how we can support your mission of providing a safe and productive learning environment for all students.

TABLE OF

CONTENT

In this catalog, you'll find a comprehensive overview of the solutions we offer to support New York City's educational system. Organized to help you quickly navigate our offerings, the table of contents highlights categories ranging from student safety and communication tools to identification systems and administrative solutions. Whether you're looking for cutting-edge technology or reliable, long-standing solutions, this catalog is your guide to finding the right tools to enhance your school's operations and student experiences.

SCANSTATIONS

CAASS ScanStation Laptop Bundle

No: 319610578

\$3,360

Enhance Security and streamline School Operations with CAASS ScanStations. CAASS ScanStations offer an additional layer of security by verifying student enrollment status upon entry. The System syncs with your student information system (SIS) nightly, ensuring up to date data, including suspension information for real time security alerts. This Technology fosters a positive school culture by enabling daily interactions, such as sending students personalized birthday messages. ScanStations also improve operational efficiency by automating processes like printing late passes and generating timestamped entry reports, giving schools better visibility into who is in the building at all times. Caass ScanStation Bundle includes: ScanStation Laptop, Citizen Thermal Receipt Printer with thermal printer paper, ScanStation Cart, ScanStation Speakers, Power Strip, Ethernet Cable, Extension Cord and CAASS 2D Presentation Scanner.

CAASS ScanStation TouchScreen Bundle

No: 319611000

\$3,518

Maximize efficiency with CAASS ScanStation's Interactive Touch Screen Monitor. The CAASS ScanStation's large touchscreen monitor takes school security and management to the next level. The monitor displays each student's photo as they scan in, helping staff quickly verify identity at a glance. Color-coded visual alerts provide immediate cues on any security concerns, such as suspensions or restricted access. CAASS ScanStation Touchscreen Bundle includes: ScanStation Touch Screen Monitor, ScanStation Mini PC, Station Monitor Arm Mount, Dymo Printer, RFID Card Reader, Scan Cart.

CAASS ScanStation Sidekick Bundle

No: 319611019

\$2,124

Introducing the CAASS Sidekick, a portable tablet version of the original ScanStation, offering the same robust software in a compact form. Designed for schools with limited space and for staff needing mobility, it's perfect for school events, hall sweeps, and bathroom monitoring. With the ability to scan students on the move, staff can ensure seamless entry management throughout the building. The Sidekick is also ideal for field trips, using time stamps to track student attendance throughout the day. CAASS ScanStation Sidekick Bundle includes: Tablet, Rugged Case, USB Dock, Handheld 2D/1D Scanner, or RFID Card Reader.
